

2nd FramWat Regional Round Table “Small Retention – Big Deal”

May 21, 2019

Bratislava, Water Research Institute – WRI (Výskumný ústav vodného hospodárstva)
Nábřežie arm. gen. L. Svobodu 5, 812 49 Bratislava 1

Main objective:

Round Table will focus on presenting current achievements of the project, level of understanding of Natural Small Water Retention Measures, current situation with their implementation and follow-up steps that need to be taken by all key stakeholders in order to assure better integration of NSWRM into existing policy framework and support their better implementation in practice.

Target group: 2nd Round Table is focusing on representatives of respective national authorities from Slovakia, Austria and Poland.
